

JENNY NOTO / WAND'ED KNIT AND CROCHET

Ginevra Mitts (worsted)

Ginevra Molly Weasley, the youngest of seven children in the Weasley family, is nothing short of spectacular! Courageous, talented, difficult to intimidate, she is also beautiful and powerful. This is the coordinating fingerless mitts to the beanie and cowl patterns!

*** Please read all the way through before starting.**

Skill level: Intermediate

Materials:

Worsted weight: ~110-120 yards for the pair
US 6/ 4mm DPNs or circular needles long enough for magic loop

*Stitch marker *Tapestry needle
*Scissors *Scrap yarn or stitch holder

Gauge: 4" x 4" stockinette in the round

20 st x 28 rounds

Finished sizes:

S/M ~ 7.25-7.5"

M/L ~ 7.5-8"

Abbreviations:

CO - cast on	K - knit	K2tog - knit 2 together	K3tog - knit 3 together
M1 - make 1 using back loop cast on	P - purl		P - reverse wrap purl
tbl - through back loop	wyif - with yarn in front		YO - yarn over
Sl - slip stitch purlwise	st - stitch(es)		PM - place marker
DPN - double pointed needles	[...] repeat what is between the bracket		

Notes, Hints, and Suggestions:

- Pattern repeat is 4 stitches and 4 rounds for size adjustments for the pattern in the back of the hand. This is on Needle 1. This floral stitch is VERY stretchy.
- If further customization is needed for size, I recommend changing needle size or the stitch count on the palm side. Adjust in even numbers on the needle that doesn't involve the thumb gusset.
- Cuff and hand section after the thumb gusset can be customized to desired length. Keep in mind though that you will be adding ribbing prior to binding off, which will add a bit more length.
- In R3 and R4, you will be making YO. If you make the motion of wrapping the yarn with your hand/finger, you will be motioning counterclockwise. The stitch prior is a purl stitch. Keep the yarn in front as you slip the next stitch purlwise, then make the YO over the slipped stitch(es), bringing it back to the front, ready for the next purl stitch. *(See photo tutorial below.)*
- **IMPORTANT:** In each round, make sure you are wrapping your yarn clockwise to purl the stitch after the "flower," the YO, and the special stitch. This will help minimize the gap and keep your stitches looking tighter! [This link](#) will show you how to do a clockwise wrap for the purl stitch. The bolded **P1** is to help you remember to do this in the pattern!

HELPFUL VIDEO FOR THUMB GUSSET and picking up stitches:

I really like how clean this looks! Skip to about 8:30 <https://youtu.be/RJQswKVPF5k>

Special Stitches:

M1 using back loop cast on: I like this method over M1L or M1R to increase stitches. I find that it's more "invisible." Video tutorial: <https://youtu.be/JSRlgi124Qk>

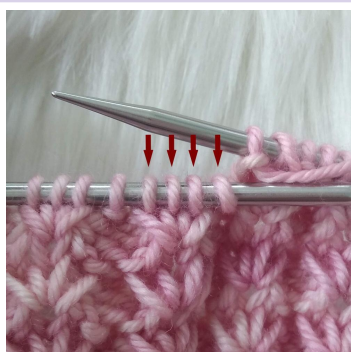

Knitted cast on: Turn your work so the last stitch you knitted is on the left needle. Knit into that stitch and pull up a large loop, then place that stitch onto the left needle. You have made one cast on.

Video tutorial: <https://youtu.be/IzVy8fRfOw0>

☞ - Done over 3 stitches (the 2 yarn overs and the single stitch you've slipped from R1). K3tog, do not drop loops. YO, then K3tog again. Drop all loops from the left needle. Three stitches gives you 3 stitches

SSK - Slip Slip Knit - Slip stitch knitwise, slip next stitch purlwise, insert left needle in front of both stitches and knit them together.

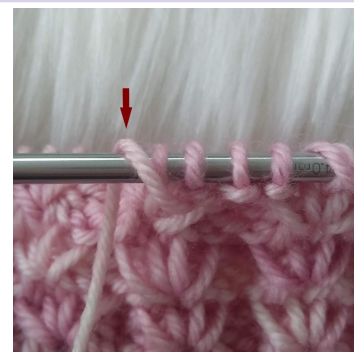

Photo Tutorial for R3 and R4:

Four stitches to start

Purl 2 stitches, then slip 3rd stitch purlwise with yarn in front

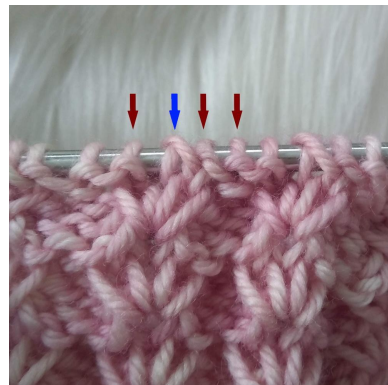

Yarn over the slipped stitch by wrapping OVER the needle

Purl the next stitch

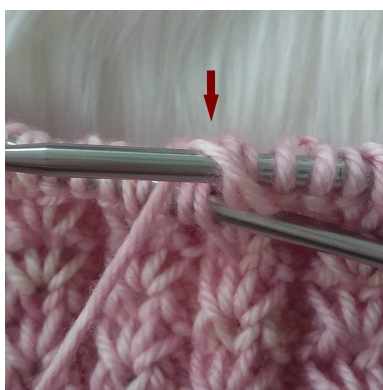

by wrapping yarn CLOCKWISE
UNDER the needle

In R4, the slipped stitches are
the initial slipped stitch + yo
